INDEPENDENT GERMANS.

An Address Giving Their Reasons for Supporting Garfield.

New York Tribune.

The German Independent Republican organization has issued an address, in English and German, announcing the ability of its members, after a conscientious examination of the claims of the two parties, to support the Republican ticket at the coming election. The address recites briefly the reasons which have led to this determination; they are summed up in the following sentence from the address: "The history of the Republican party, no less than the well founded expectation that the splendid condition to which the country has been raised under Republican administration will last and further improve under Garfield, justify this determination." After reviewing briefly the history of the parties during the war, the period of reconstruction, and since then to the present time, the address declares that there are "no guarantees that the country will not be drawn into a state of uncertainty, confusion, calamity and violence in case the Democratic party should be called to take the reins of government. Nothing approaches even any surety that we shall not have to deplore events which would destroy all achievements of the last twenty years, which would fan into flame the cinders of discord now smouldering under the ashes, which would threaten the welfare, the peace, the liberty, and even the unity of the country. We do believe that a Democratic Congress, with even the best Democratic President, would introduce measures, the tendency of which would be against the Union, against the last amendments to the constitution, and against the prosperity of the country."

The position of the Democratic party upon questions of State sovereignty, finance, tariff and taxation is then reviewed, and the address continues:

"There are numerous signs that the Democratic party is contemplating to lay many unsupportable burdens upon the people's shoulders. The claims for loss of property during the war amount to hundreds of millions now. They would increase to thousands of millions. It is not impossible that it will be claimed that the Federal government should assume State debts."

The address is signed by H. Wesendonck, Edward Solomon, Sigismund Kaufman, Friedrich Kuehne, Leonard J. Stiastny, Geo. H. Moeller, A. Jacobi, M. D., E. F. Schwedler, M. D., Thomas Achels, Herman R. Baltzer, Paul Goepel, John O. Hundt, Paul Balluff, Frederick Schack, H. Guleke, M. D., Jacock Schoenhoff, S. S. Fisher, and others.

Greatest Remedy Known.

Dr. King's new discovery for Consumption is certainly the greatest medical remedy ever placed within the reach of suffering humanity. Thousands of once hopeless sufferers, now loudly proclaim their praise for this wonderful discovery to which they owe their lives. Not only does it positively cure Consumption, but Coughs, Colds, Asthma, Bronchitis, Hay Fever, Hoarseness, and all affections of the Throat, Chest and Lungs yield at once to its wonderful curative powers as if by magic. We do not ask you to buy a large bottle until you know what you are getting. We therefore earnestly request that you call on your druggist, Hubbard & Swearingen, and get a bottle free of cost, which will convince the most skeptical of its wonderful merits, and show you what a regular one dollar size bottle will do. A Word to Our Readers.

When you read of a remedy that will cure all diseases beware of it; but when you read of a pure vegetable compound which claims to cure only certain parts of the body, and furnishes high proof that it does this, you can safely try it and with the assurance that it will help you. This is just what Warner's Safe Kidney and Liver Cure does. It cures all troubles of the lower portion of the body and none others. It will not help the tooth-ache, ear-ache nor consumption, but it will put your body in a vigorous and healthy state where you can enjoy life and appreciate its good things. Try it. For sale by W. C. Armstrong, druggist.

"OUR flag is there!"

THE solid south—138.
The solid north—231.

THE majority in Indiana will probably reach 329.

THE Solid South will be greeted with a Solid North.

THE Buckeyes evidently voted in their own state yesterday.

AND to-night let all the people sing Glory, Glory, Hallelujah!

ENGLISH headed up and double-hooped his bar'l last night.

WILL the Democrats withdraw English, or will they wait for the people to do it?

THE doctors are all busy to-day—Democrats sicker than they ever were before.

"THE Democratic orators in Indiana this year cannot out-talk the threshing machine."—*Ben Harrison.*

"AFTER four years" of Blue Jeans the people of Indiana concluded that they wanted a change.

THE Republicans have heard from Maine. Have the Democrats heard from Ohio and Indiana?

THE home of English gives a Republican majority of 2,500, a gain of 1,100. Too many foreclosures.

LET the tabernacle be crowded to-night. There will be speeches, songs, and the rejoicings of the hosts of freedom.

COME to the tabernacle to-night. The decorations have not been removed, and were not even injured by Trumbull's meeting yesterday.

THE dead can now rest in peace. Their slumbers will not be soon disturbed by that enthusiastic young Democratic orator rehearsing his speeches in the cemetery.

THE Democrats have lost all interest in the election returns from Ohio and Indiana. Last night they received the news on the old square. The barn-yard is not crowded with Democrats to-day.

ONE of the most cool-headed and thoughtful Democrats in Decatur remarked this morning that "t'was the tariff question did it," and he thought New York would almost certainly go the same way. Sensible man.

THE Democrats yesterday evidently scented the coming disaster. No sign of an American flag was to be seen on the flagstaff of the tabernacle, although their state leader was the orator of the occasion. Was it a want of hope or a want of patriotism?

AT a Republican meeting at Hartford, Conn., Tuesday evening, several prominent Democrats acted as Vice Presidents. A large German campaign club has been formed there, most of the members of which have heretofore voted with the Democrats.

GOOD ENOUGH.

The elections of yesterday resulted in most substantial satisfaction to Republicans. The state of Ohio has fairly covered itself with glory, rebuking the foul aspersions cast upon one of her most honored sons, and taking her old rank among the reliable Republican states of the mighty North. The result is set forth in our specials, to which attention is called.

The news from Indiana, while not showing an undoubted Republican majority, go to indicate that the Democratic majority of 1876 has been wiped out, and unless the tide turns very materially Porter will be elected by a handsome majority.

The news is good enough—let us rejoice and be exceeding glad.

LATER.

Since the above was in type the cheering news comes that Landers concedes the election of Porter, and thinks the legislature will also be Republican, thus securing "a change" in place of McDonald, whose term as senator will expire March 4, 1881. Surely this is good enough.

LET the Democrats now chalk the Republicans' majorities in Ohio and Indiana on the doors and walls of their Democratic brethren. In this way their friends will learn that Indiana has *flopped* and that Ohio has largely increased her Republican majority of last year.

DEMOCRATIC soldiers, of whom Lyman Trumbull has had so much to say of late, must have flopped in Indiana and Ohio. The *Review* would doubtless style these soldiers "distinguished flop-pers."

WILL Hancock send a congratulatory dispatch to Porter on the "glorious result" in Indiana? It might serve to "inspire our friends with confidence," you know.

THE Republicans of Ohio have added two 00 to 329. The figures will read in November 32,900 for Garfield and Arthur.

INDIANA is the most "distinguished flopper" we know of to-day.

MICHIGAN is not so sure for the big radical majority formerly had there as the leader would like to make appear. The German element there as in other States is kicking over the shafts.—*Review.*

Just as it kicked over the shafts in Ohio and Indiana. Yesterday morning our old square neighbor was quite sure that there would be a good deal of kicking over the shafts in these states, and there was—but it was not of the kind that our neighbor expected and wished for.

IT is cruel for the Democrats to remind statesman 'Garfield of that 329 transaction. Probably it is better to drop it; or better, "let it go as a long."—*Review.*

The individual who takes our old square neighbor for a fool or a ninny is terribly mistaken. He wrote the above several days ago, and the elections yesterday showed that Ohio and Indiana agree with him, that "it is better to drop it." And Judge Jere Black, who used the cloak of personal friendship to conceal the viciousness of his cowardly stab, is also of the impression that "it is better to drop it."

Globe-Democrat Items.

Trumbull may as well give it up in Illinois now.

The Brigadiers were repulsed with great slaughter.

The old Rebel yell wasn't very loud in St. Louis last night.

Kentucky is a doubtful State. The Democrats should look to it.

Gen. Hancock won't send any congratulatory dispatches to-day.

The Old Guard was up and at 'em yesterday in Ohio and Indiana.

A Republican gain of five Congressmen in Ohio is something worth bragging about.

The Old Commander is a great campaigner. That Warren speech did a heap of good.

The Maine election wasn't such a bad thing after all. It stirred the boys up to a sense of danger.

Ohio knew what Lee and Jackson would have done, and carefully abstained from doing it.

Thanks, Mr. Conkling for your Western trip. We detect traces of it in the results in Ohio and Indiana.

The Democrats should quit their fooling now and endeavor to save Missouri and Kentucky, if they can.

All honor to the Buckeye State. She has never yet failed the country in its time of need. She is always for the Blue against the Gray.

Ought a woman to kiss a Tobacco-Chewer? "Yes, if she chews," and no one ought to choose to be without Spring Blossom, to keep their blood in order.

INDIAANA.

INDIANAPOLIS, IND., October 12.—The election passed off quietly, and no disturbance is reported from any quarter.

In 35 voting places in as many counties heard from a Republican gain of 76 is shown. In Floyd county the Democratic majority is reported at not over 600.

Terre Haute city Democrats concede a Republican majority of 250—a Republican gain of 175. Returns thus far received are nearly all from the smaller precincts. No official returns have been received from the cities or larger towns.

Reports from 800 towns give a Republican gain of 470. With the same rate of gains throughout the State, the Republicans would have a plurality for Governor of 1,000.

12:30 A. M.—The 115 townships heard from give a Democratic vote of 14,291; Republican, 15,511; National, 515. The same towns in 1876 gave a Democratic vote of 13,946; Republican, 14,489; National, 224. Democratic gains, 345; Republican gains, 1,022; net Republican gain, 677.

SOUTH BEND—Penn, Warden, Clay, Harris, Union and German townships, in St. Joseph county, give 118 majority for Porter; a Republican gain since the last Governor's election of 67 and of 186 from the State election of two years ago. Two wards of South Bend give 100 Republican gain from the last city election. St. Joseph county, including this city, has all been heard from except three townships. Porter's majority is about 250; Calkins, for Congress, 450.

South Bend gives Porter, for Governor, 104 majority. St. Joseph county all heard from but three townships, give Porter a majority of 125; Calkins, for Congress, 305—the whole county estimated, Porter 250 majority, and Calkins 450 majority.

Midnight—The indications are that Porter, Republican, is elected by 1,000 majority. The Democrats do not concede the defeat of Landers, but say the vote will be close, and claim the balance of the State ticket. The one hundred precincts heard from show a Democratic gain of 281, and Republican gains of 909.

1:20 A. M.—Returns from 145 precincts show Democratic gains of 884; Republican gains of 2,476. Net Republican gains, 1,592.

3:29 A. M.—Two hundred and twenty-five precincts show a Democratic gain of 1,054; Republican gain, 2,868—net Republican gain, 1,814.

INDIANAPOLIS, October 13—2 A. M. The Republicans now claim the election of Porter by 5,000 to 8,000 and the whole State ticket by 4,000 to 5,000.

Warsaw—This city gives a Republican majority of 345, a gain of 100.

Terre Haute—The election passed off quietly; 5,744 votes were cast, an increase of 743 over the vote at the city election last May. The First Ward gives Porter a majority of 220, a Republican gain of 204 over the vote for Governor in 1876, and a gain of 216 over the vote for Secretary of State in 1876.

Pierson township in this county gives Landers 52 majority, a Democratic gain of three over the vote of 1876. The Sixth Ward gives Porter 97 majority, a Republican gain of 41 over the vote of 1876.

2 A. M.—Gen. Nash, chairman of the republican state committee, claims that the plurality for the state ticket will not be less than 20,000, and that the republicans have elected fifteen out of twenty congressman as follows: Butterworth in the first, Young in the second, Morey in the third, Schultz in the Fourth, Ritchie in the sixth, Keifer in the eighth, Robinson in the ninth, Rice in the tenth, Neal in the eleventh, Dawes in the fifteenth, Updegraffe in the sixteenth, McKinly in the seventeenth, McClure in the eighteenth, Taylor in the nineteenth and Townsend in the twentieth districts.

3:21—Seven hundred and twenty precincts heard from give a net republican gain of 3,000. The election of Schultz, republican, for congress in the fourth district, by 250 majority is claimed.

INDIANAPOLIS, IND. October 12—11:30 p. m—The Republicans are marching through the streets singing and shouting over the news from Ohio and the brightening prospects here. Mr. Dorsey, who has refused up to this time to estimate the result in figures, now claims Porter's election by 5,000. The Republican majority in this county will not be less than 2,500. John C. New says: "We have carried Vigo county and Terre Haute, a gain of 600." In Allen we gained 1,000, and Mr. Dorsey has private dispatches from over half the counties in the State, all showing probable Republican gains.

RICHMOND, IND., October 12.—A largely increased vote was cast in this city to day. The count cannot be finished before to-morrow, but there is no doubt of a Republican gain of at least 300 for Governor in the city and 500 in the county on 1876. Republicans claim Porter's election.

FORT WAYNE, IND., October 12.—No official returns yet; undoubted Republicans gains in the Twelfth District. I estimate them at 1,000 over the vote of 1876. R. S. TAYLOR.

THE LATEST.

INDIANAPOLIS, Oct. 13.—Mr. Landers concedes election of Porter by at least 4,000 and that the legislature is probably republican.

INDIANAPOLIS, Oct. 13.—Four hundred and eighty precincts show democratic gain of 3658; republican gain of 7,573; net republican gain of 3,915.

INDIANAPOLIS, 2:50 p. m.—500 precincts show net republican gain of 4,260.

INDIANAPOLIS, Oct. 13, 3:00 p. m.—Gerat crowds of people are about the *Journal* office and post office. There is a constant roar of cheers and great enthusiasm. The Knights of Columbia are still parading. One motto displayed reads, "You can bid but can't buy us."

INDIANAPOLIS, Oct. 13, 3:00 p. m.—Returns coming in slow on state ticket. The senate stands republican 23, democratic 23, doubtful 4. House, republican 50; democratic 40; doubtful 10. 480 precincts show a net republican gain of 3,915.

INDIANAPOLIS, October 13, 3:00 p. m.—Senator McDonald concedes the state ticket to the Republicans. Returns received thus far indicates the election of the Republican state ticket by 5,000 majority.

INDIANAPOLIS, Oct. 13, 3 p. m.—Porter telegraphed Garfield that he is elected by 5,000. Ratification here to-night.

OHIO.

WARREN, O., October 12.—Election very warm and an immense vote polled, with large Republican gains; the largest majority ever given. Between 500 and 600 gain in this county so far. The Democrats concede the county by 3,500. How is this for Republican dissatisfaction in Garfield's district? The Republicans are wild with enthusiasm. No trouble at the polls, with one exception—a Democratic ward politician who picked a quarrel with our one-armed soldier postmaster, received a just rebuke. He pushed Postmaster Wise and called him a d—d impudent pup, and the soldier let fly with his remaining arm, and struck the ward Democrat a terrible blow in the face. This caused intense excitement and indignation. Public opinion strongly indorses Wise's action. He should have been hit 329 times is the opinion of all.

WARREN, O., October 12.—The Republican majority in Garfield's district will nearly reach 13,000.

SPRINGFIELD, O., October 12.—The Republican majority in this district will reach 6,000, a gain of 800 over last year.

COLUMBUS, Oct. 12.—There are 1,869 precincts in this state. The polls closed all over the state at 6 o'clock.

Returns are coming in a little earlier than usual, and the gains, although hitherto favorable to the republicans in most precincts, have not been uniformly so, and it is noticeable that where there has been democratic increase it has usually been very marked. It seems to be a fact that the republican gains have been chiefly in sections already republican, and democratic gains have come chiefly from democratic sections.

At the republican headquarters claims are now made that the majority in the state will be considerably over 20,000. There is great enthusiasm and the Garfield glee club is singing before the hall.

12:30 A. M.—The following is the result of all precincts now received, which are grouped under their respective counties:

Adams county—Three townships, democratic gain 15.

Allen county—Five townships, democratic dain 55.

Ashland county—Eleven townships, republican gain 125.

Ashtabula county—Fifteen townships, republican gain 173.

Athens county—Two townships, republican gain 18.

Auglaise county—Eight townships, democratic gain 192.

Belmont county—Eight townships, republican gain 129.

Brown county—Two townships, republican gain 81.

Butler county—Seven townships and one ward in Hamilton, democratic gain 256.

Carroll—Nine townships, republican gain 37.

Champaign—Twelve townships and Urbana City, republican gain 250.

Clarke—Two townships and city of Springfield, republican gain 218.

Clermont—Five precincts, republican gain 56.

Clinton—Two townships, republican gain 218.

Coshocton—Three townships, no change.

Crawford—Eight townships, republican gain 65.

Cuyahoga—Twelve townships and wards, republican gain 404.

Starke—Five townships and wards, republican gain 43.

Summit—Eight townships and wards, republican gain 4.

Trumbull—Six townships and wards, republican gain 194.

Takawaras—Six townships, unchanged.

Union—One township, republican gain 9.

Van Wert—Eight townships and the city of Van Wert, republican gain 81.

Vinton—Three townships, republican gain 9.

Warren—Five townships, republican gain 48.

Washington—Four townships and two wards in Marietta, democratic gain 46.

Wayne—Twelve precincts and city of Wooster, democratic gain 30.

Williams—Two townships, republican gain 1.

Wood—One township, republican gain 1.

Wyandotte—Three townships, democratic gain 17.

Lake—Four townships, republican gain 107.

Lawrence—Six townships and Ironton City, republican gain 325.

Licking—Ten townships and city of Newark, democratic gain 120.

Logan—Seven townships, democratic gain 43.

TOLEDO, O., October 12.—The election in this city, although unusually quiet and orderly, has been hotly contested, both parties putting forth their best efforts, and bringing out their full strength. The National and Prohibition vote is insignificant. Incomplete returns indicate that the Republicans have carried the city, and the chairman of the Republican Committee claims 700 majority in Lucas county, a Republican gain of 793. The chairman of the Democratic Committee places the majority in the city for Ritchie, Republican Congressman, at 155, and in the county at 600. The district is probably Republican by 600 majority.

The city complete gives Ritchie, Republican for Congress, 121 majority. The Democrats concede his election over Hurd by 300. The Republicans claim 600. The county gives 600 Republican majority,

CINCINNATI, Oct. 13, 10:30 A. M.—Republicans claim majority in Ohio between 20,000 and 25,000, and they have secured a gain of five congressmen.

CINCINNATI, October 13, 3:00 p. m.—Representatives elect—Butterworth to Congress from 1st district by 780. May and Young in 2d by 970.

WHEELING, W. VA., October 12.—Returns from the State come in slowly, and there is nothing as yet that indicates clearly a change from last year's vote. The returns from several precincts of this city and county indicate that the Republicans have made decided gains, and all the indications point to a largely increased vote throughout the State.

Quinnemont, Fayette county, gives a Republican majority of 67. Sturgiss is ahead in Kanawha county and the Greenback county ticket is probably elected.

NEWARK, N. J., October 12.—The city election resulted in the average Republican majority of about 2,500. The Republicans elect 11 Alderman, the Democrats 5. The Common Council will stand 18 Republicans, 12 Democrats. The Republicans also gain four members of the Board of Freeholders. The German vote was mainly Republican.

THE Conway (Ark.) *Traveller* says that Garfield is "a filthy, dirty, lying pup," and the Republican party is "a yellow dog, mongrel, satanic, two-faced, pop-eyed, flat nosed gang of radical marauders." Anybody who likes this can gets lots of it every week by paying $2 a year.

A PATTERSON (N. J.) editor had a conversation with Hancock in a hack, and found him to be a delightful man, "who knows no end of things, and converses well." The next time the editor catches Hancock in a hack he should gets his views on the tariff.

He who does nothing but sit and eat, will wear away his pants the seat,
But who works hard, earns sweet repose,

WHAT might have proved a serious shooting affray had the party who did the firing been sober, transpired at "Dan's Bank" last night between nine and ten o'clock. Three young men, strangers in Decatur, who are telegraph line repairers, were on a spree, and while at the saloon named, became disorderly. They were ordered to vacate the premises, but refused to go; whereupon a successful attempt was made to bounce them, but one of the fellows drew his 22-calibre pop after he reached the pavement, and commenced firing at random into the saloon through the open door. He and his pards then scampered off, but they were subsequently caught and lodged in the county jail through the efforts of Marshal Baker and the sheriff. Nobody hit or hurt.

SECURE your seats at once for John T. Raymond in his new and greatest success, "My Son," at the opera house next Monday night. His support is one of the very best. Nearly all the members of the company had been engaged to support Modjeska, but when it became known that that lady had decided not to visit America this season, the greater part of the company were engaged to support Raymond. Among the party are Miss Courtney Barnes, Miss Chester, Miss Frankie McClellan, Mrs. Duffield, Harry Edwards, Geo. C. Boniface, Frank Wise, Wise, David Rebus, Edmond Price and Wm. Callington. On Tuesday night "Col. Sellers" will be given. Popular prices.

ON yesterday little Annie Talbott, aged 9 years, while attempting to make a fire to prepare dinner, unfortunately grasped a can of coal oil and threw a quantity of the fluid on the coals. Talbott, who resides on North Church street, where the accident occurred.

THE sociable and festival given in the lecture room of Stapp's Chapel last night, by the enterprising ladies of the Second Division was very largely attended and a pronounced financial success, notwithstanding the many other attractions in the city. The ladies have the thanks of the REPUBLICAN for a generous donation of Porter and Ohio ice cream left here this morning.

Linked for Life.

The pleasant home of the bride's parents, Mr. and Mrs. A. E. McKenzie, at the corner of South Franklin and Wood streets, last evening, was the scene of a notable quiet wedding, which was witnessed by about 25 of the more intimate friends of the family. The ceremony which united in marriage MR. WINFIELD C. FEARN and MISS LULU MCKENZIE was performed by Rev. W. H. Musgrove, pastor of Stapp's Chapel at 8:15 o'clock. A splendid wedding banquet was served, and many handsome gifts were presented to the bride. Mr. and Mrs. Fearn will reside at Williamsport, Ind., where the bridegroom has engaged in the drug business on his own book. They have the very best wishes of hosts of friends in Decatur for their future happiness and prosperity.

A Sad Accident.

This forenoon at about nine o'clock, a very sad accident befel one of our old citizens, Mr. George Dempsey, while he was at work at Mr. John Ullrich's brick addition to his wholesale grocery house, on East Main street. He had stepped on a couple of joists on the first floor, which unknown to him had not been properly secured. Both pieces of timber fell over sideways, and Mr. Dempsey losing his balance, fell over backwards into the cellar, a distance of about nine feet. He fell on a pile of brick, and when picked up it was found that his right leg was broken, about half way between the knee and trunk. It is a bad break, and is very painful. Mr. Dempsey was removed immediately to his home on West North street, where a competent surgeon is attending him. Mr. Dempsey is nearly 60 years of age. He was resting comfortably this afternoon.

All persons desiring boys are requested to apply on the day above mentioned. Inquire at the post office for a handbill giving full particulars.

The marching bands will meet at the Court House at 7 o'clock, sharp, and voters who cannot be supplied with lamps will fall into line and join in the grand parade.

There will be vocal and instrumental music at the Tabernacle, were during the evening additional election returns will be received and read.

"Uncle Josh."

Manager Haines has at last succeeded in effecting an engagement with Mr. J. M. Hill for presenting Denman Thompson in his famous impersonation of "Joshua Whitcomb," at the opera house Oct. 15th. This play is artistically improved under the indefatigable management of Mr. Hill, is without exception the greatest comedy success of the day, as is shown by its unprecedented runs in the larger cities; its present five weeks engagement at McVicker's theatre, Chicago exceeding all others in receipts. To secure this attraction in the face of persistent demands Mr. Haines has persuaded the management to forego other important dates to visit Decatur, and our citizens cannot do less than reward the enterprise of our local manager by a liberal patronage, giving "Uncle Josh" the solid welcome he deserves.

PERSONAL POINTS.

Rev. W. H. Prestley is at Marshfield Valley, Alleghany county, Pa., visiting.

Rev. G. W. Miller, of Danville, gave us a short call this morning. He looks as natural as ever, and is well pleased with his new charge.

Hon. Lyman Trumbull departed for Litchfield early this morning, accompanied by J. B Hinman, who is reporting his series of meetings for the Chicago *Times*.

Bloomington Leader: Rev. H. Buck, D. D., of Decatur, gave us a call this afternoon. The Doctor is one of the leading clergymen of the Illinois Conference, and for a life time associated with the building up the Methodist church in Illinois. He is a man of infinite jest and and most excellent humor. He has in charge the financial affairs of the Wesleyan University, and the prospect is reported as very encouraging for bringing this popular institution out of debt.

BOYS IN BLUE.

The Boys in Blue and the Boys' Garfield and Arthur Club, will meet at the court house to-night at seven o'clock for parade and escort duty

By order of the Captain.

October 20th.

On that day, just a week hence, will occur one of the grandest Republican demonstrations ever witnessed in Central Illinois. It will take place at Bloomington, in the 13th congressional district, and the speakers will be Gen. Logan, Gen. Ben. Harrison, Col. Clark E. Carr and others. Garfield clubs without number will be there; the city will be decorated and illuminated; there will be a grand display of fireworks; there will be a day parade at 10 o'clock and a torchlight parade at night, and special rates on rail roads will be given to those who wish to attend. There will be canal boats, transparencies and other devices in the parade, and prizes will be offered for the best delegations and bands present. Go if you can make it convenient, and help make the meeting a boomer.

REPUBLICAN RALLIES.

The Grand Demonstration Last Night at at the Court House—A Ringing Speech by Hon. W. R. Jewell, of Danville.

A Brilliant Parade by the Marching Bands—Meetings Elsewhere.

HON. W. R. JEWELL.

The Republican rally at the court house last night was a decided success in every particular. The enthusiasm manifested reminded the older portion of the crowd, which numbered fully 1500, of the stirring days of '60 and '68. Early in the evening the Decatur Cornet Band and the Martial Band played stirring airs on the streets, and the members of the marching organizations—the Boys in Blue and the Boys' Garfield and Arthur Club—donned their handsome red, white and blue uniforms, lighted their torches and fell into line in front of the court house.

Between 7 and 8 o'clock the 150 torches borne by old and young voters, headed by the bands, moved up North Water street to Eldorado, west to North Main street, thence south to Priest's hotel, from which place Hon. W. R. Jewell, W C. Johns, Esq., and others were escorted to the court house, where in the presence of a packed house, the speaking commenced soon after 8 o'clock. Mr. Jewell, who is editor of the Danville *News*, and republican nominee for presidential elector for this, (the 14th), congressional district, was received with flattering applause. He took for his text a verse from the first chapter of Genesis, which reads: "And God said, Let the earth bring forth the living creature after his kind, cattle and creeping things, and the beast of the earth after his kind, *and it was so*." It would be impossible to give a synopsis of Mr. Jewell's splendid effort and do the speaker justice. He touched upon all debatable points at issue, sticking close to his text, showing conclusively that "It was so," that the democratic party is now what it always had been, and would ever remain in its narrow hole. He discussed the tariff question briefly and was logical, eloquent and witty. Everything he talked about was handled in a masterly manner, awakening general enthusiasm such as is seldom witnessed at a political gathering.

TELEGRAPHIC REPORTS.

During the speaking, which continued until after 10 o'clock, telegraphic election returns from Indiana and Ohio were received and read, and after the speaker had departed the crowd remained until nearly 12 o'clock waiting for the good news, which came as rapidly as sent out by the associated press reporters The character of the reports received may be learned on perusing the second page of to-day's issue. The enthusiasm of the republicans was unbounded, while the democrats present were remarkably quiet, and plainly disheartened.

The local democratic leaders received dispatches which were read in the rotunda of the St. Nicholas Hotel, but the small crowd of the faithful that hung around expecting to hear favorable news, soon became disgusted and slid out for their homes.

CANNON AND JEWELL.

Death of an Old Citizen.

The Springfield *Monitor* of the 12th inst., contained the following notice of the death of the oldest brother of Mr. Wm. J. Condell, of this city, who left for the capital city yesterday morning to attend the funeral of the deceased.

John S. Condell, Sr., received a dispatch from Hon. John M. Glover, at LaGrange, Mo., announcing the death of his brother, Thomas Condell, at Osage City, Kansas, on the 11th.

Thomas Condell was born in Dublin, Ireland, and at the time of his death was in the seventy-third year of his age. He came to the United States in the year 1824, and with his brother, John S. Condell, Sr., emigrated to Carrollton, Greene county, Ill., in 1833, and while there was married to Elizabeth Bledsoe, daughter of M. O. Bledsoe, Esq., and sister of the late Albert Bledsoe, a noted author and editor of the *Southern Review*. He came to Springfield in the month of August, 1840, and engaged in the mercantile business, being the senior member of the firm of Condell, Jones & Co. Afterwards he was for a number of years President of the Marine Bank, succeeding Robert Irwin, Esq. He leaves five children—three sons and two daughters—his wife having died some years ago. The body will be interred at Oak Ridge.

As stated in these columns on yesterday, the deceased in the year 1843—37 years ago—was the senior member of the firm of Condell, Jones & Co., who opened a dry goods house in Decatur where the old Stamper & Condell building now stands. He was known to many of the older residents of this county.

A Lawyer's Conscience.

From the New York Herald.

One cannot wonder that there was extraordinary astonishment in the Passaic county (N. J.) Tuesday morning, when a prominent lawyer arose and asked the forgiveness of the bench and bar for certain alleged offenses, for it was the first case on record of a lawyer admitting himself to be in the wrong. He accused himself of not having at all times gracefully and obediently accepted the rulings of the court, whereas every lawyer knows that when the court rules against him it is because the court is an old idiot, who never learned the first principles of law. He also declared that in past days he had not been as courteous to his brethern of the bar as he might have been, just as if courtesy to one's opponent was common among lawyers. Strangest of all, however, the remorseful member declared that he had made an exorbitant charge for drawing a will. This settled the question. All the rest might be the result of manliness asserting its supremacy over quick temper, for under such circumstances a noble nature might transgress the custom of the bar by exceeding the extreme of honor, but when it came to confessing exorbitant charging there was only one thought possible—the man must be crazy. No lawyer in full possession of his senses would ever such a confession, even if broken on the wheel.

BEST IS CHEAPEST!

LEWIS' CONDENSED BAKING POWDER

STRICTLY PURE!

We will pay $1000.00 for any Alum or other adulteration found in this POWDER.

Indorsed by the Brooklyn Board of Health, and by the best chemists in the United States.

It is **STRONGER** than **any Yeast Powder** in the world.

It **NEVER FAILS to make light bread** when used as directed.

It is **COMMENDED** by every housekeeper who has given it a fair trial.

It is an **entirely NEW INVENTION,** without any of the bad qualities of soda or saleratus, yeast or other baking powders.

It has in itself a tendency to **sustain** and **nourish** the system.

Good food makes good health; and health is improved or impaired in proportion as the food we eat is nutritious or otherwise.

LEWIS' BAKING POWDER **always makes good food.**

One can of this is worth two of any other baking compound.

It makes bread **whiter and richer.**

More than half the complaints of bad flour arise from the use of common baking powders, which often make the best of flour turn out dark bread.

The most delicate persons can eat food prepared with it **without injury.**

Nearly every **other** baking powder is adulterated and is absolutely injurious.

This is made from **Refined Grape Cream of Tartar,** and is **PERFECTLY PURE.**

It makes the **BEST, lightest,** and **most nutritious**

BREAD, BISCUIT, CAKE, CRULLERS, BUCKWHEAT, INDIAN, AND FLANNEL CAKES.

A single trial will **prove** the **superiority** of this Powder.
